

TOWN OF COLMA

PUBLIC MEETING

South Westside Basin Groundwater Management Plan

**Wednesday
October 13, 2010
11:30 AM to 12:30 PM
Town of Colma, Council Chamber 1198 El Camino Real**

The Town of Colma will hold a Public Meeting on Wednesday, October 13th, 2010 from 11:30 AM to 12:30 PM to provide information on the development of the South Westside Groundwater Management Plan.

The work is part of the Town's on-going groundwater management program with other water purveyors within the Westside Basin (California Water Service Company, Daly City, San Bruno and San Francisco Public Utilities Commission) to collectively manage this groundwater basin. The project is being primarily funded by an AB3030 grant from the California Department of Water Resources.

The meeting will provide information on the importance of groundwater as a water supply for the various cities, needs for management/oversight of the groundwater resource, the role of a Groundwater Management Plan, and the role of the public in the development and implementation of the Groundwater Management Plan.

Groundwater provides a safe, reliable, and cost-effective water supply for the Town. Public input is sought at this meeting regarding management of this resource. The Public is invited to attend and provide comments at the meeting, which begins on October 13, 2010 at 11:30 AM at the Town Hall Council Chamber located at 1198 El Camino Real, Colma Ca. 94014. For any questions, concerns please contact Brad Donohue at 650-757-8888 or brad.donohue@colma.ca.gov. Additional information may also be found at the project website, www.southwestsideplan.com.
